[1]

Henderson County encourages everyone to try Apple Country Public Transit. Apple Country Public Transit provides bus service throughout the City of Hendersonville, Town of Fletcher and Laurel Park with three (3) bus routes running from 6:30 a.m. - 6:30 p.m., Monday through Friday (exceptions include holidays and severe weather) on a 1 hour cycle. Routes originate from the Transfer Site, located at the corner of 4th and Grove Street in downtown Hendersonville (next to the 1995 Henderson County Courthouse). Henderson County contracts with WNCSource (formerly WCCA/Western Carolina Community Action) to provide transit and paratransit services.

Be sure to stay up to date on any service changes by checking the [service alerts](#) [2] page to make sure there is not a service outage or route change that may affect your travel plans. Apple Country Public Transit does not operate on select holidays as indicated on the [service alerts](#) [2] page.
